

# Palais Royal "Yaller"

The success or failure of an undertaking can often be traced to an apparently minor incident. These "yaller" mixing bowls started an army of housekeepers toward the Palais Royal basement. Now the army spreads over all five floors—and this 26th Annual Sale of "Home Needs" is growing to gigantic proportions.

## Another Carload.

These Mixing Bowls were contracted for months ago. They can't be bought today for as little prices at wholesale. Think of it—9c instead of 19c for 9-inch size and 19c instead of 59c for large 14-inch size. Plain and tipped.

## INTER STATE MATCH

Shot at Sea Girt Range This Morning.

## THE 200-YARD STAGE

WON BY THE NEW JERSEY TEAM.

The District Men Were Only Able to Land in the Fifth Place.

Special Dispatch to The Evening Star.

RIFLE RANGE, SEA GIRT, N. J., September 4.—The District of Columbia at the end of the 200-yard stage of the Interstate match which is being shot today finished in fifth place, with a total score of 490. New Jersey finished first, with a score of 516; Massachusetts second, 510; Pennsylvania third, 501; New York fourth, 500. The scores of the other teams follow: Marine Corps, 490; Ohio, 49; U. S. A., 475; Maryland, 468.

The members of the District team in this match as selected by Maj. Bell, team captain, is as follows: Maj. G. B. Young, Maj. W. E. Harvey, Capt. A. P. Robbins, Lieut. G. G. Dennison, Lieut. W. M. Farrow and Privates Maurice Appleby, George E. Cook, S. B. Wetherald, C. W. Dickey, S. L. Scott, R. E. Pike and Elias, M. Taylor.

The conditions for shooting this morning at 200 yards were very good, the light on the targets being excellent. A strong puff of wind was blowing, which made it a hard proposition to land many bull's eyes. The weather was breezy, but not too hot, just previous to the starting of the match a light rain fell.

The firing line was well patronized today during the 200-yard stage, but the spectators were not present in as large numbers as when the Hilton match was shot yesterday, probably due to the threatening conditions which prevailed.

The total score of each member of the team at the conclusion of 200 yards was as follows: Appleby, 45; Young, 45; Weirald, 43; Scott, 43; Young, 40; Harvey, 37; Robbins, 40; Dennison, 41; Taylor, 30; Pike, 42; Farrow, 41; Dickey, 41.

At 2 o'clock this afternoon firing commenced at the 200-yard range, the conditions being practically the same as those at the short range.

Good Shooting in Regimental Match.

The marked improvement in the shooting of the District boys in the Regimental Team and Company Team matches were features of the day on the firing line. While the conditions were not so good as on the previous day, when the Hilton match was shot, the scoring was of much higher standard throughout. In the matches yesterday the conditions were different and a strong northeast breeze was stirring across the range at all times.

In the afternoon the firing was resumed at 500 yards in both the matches and proved to be more interesting to the spectators than during the morning rounds. The firing line was well patronized at all times and the interest displayed in the matches was more noticeable this year than ever before.

The excellent record made by the District team at the finish of the 200-yard stage, when it led all its competitors was very encouraging to the members of the District attachment and seemed to have over come somewhat the terrible loss of yesterday. The sun disappeared entirely from view in the afternoon, and the weather prevailed until the finish of the match.

The individual scores in the Regimental match at the conclusion of 200 yards were as follows:

SECOND REGIMENT.

Appleby, 45; Young, 45; Weirald, 43; Scott, 43; Young, 40; Harvey, 37; Robbins, 40; Dennison, 41; Taylor, 30; Pike, 42; Farrow, 41; Dickey, 41.

First REGIMENT.

Cook, 45; Young, 45; Weirald, 43; Scott, 43; Young, 40; Harvey, 37; Robbins, 40; Dennison, 41; Taylor, 30; Pike, 42; Farrow, 41; Dickey, 41.

Total, 258.

The individual scores of the members of the regimental team at the finish of the 500-yard stage were as follows:

SECOND REGIMENT.

Appleby, 45; Young, 45; Weirald, 43; Scott, 43; Young, 40; Harvey, 37; Robbins, 40; Dennison, 41; Taylor, 30; Pike, 42; Farrow, 41; Dickey, 41.

First REGIMENT.

Total, 274.

Farrow Charged With a Zero.

The 2d Regiment, District of Columbia National Guard, knocked out of winning third place in the regimental match by the eighth shot of Lieut. Farrow, which is recorded as zero. After firing his shot Maj. Bell, who was watching the shots through a telescope, announced a bull's-eye, the scorer marking down a five on the board before the disk had been displayed on the target. The man in the pit, the next man fired after the target had been ashed, but before the result had been shown on the target. When the target was ashed again, it was found that Farrow had a five, but a passing range officer would not allow the shot, and Farrow was marked a zero.

As it was the 4th New Jersey team won the match with a total score of 545. The 71st New York was second with 538; 7th New York third, 537.

Capt. Tomlinson, team captain for the 2d Regiment, protested the shot in question, but not until after the next man had shot, and the firing was continued. The inspector general of the range entered a formal protest, but the protest was not allowed.

The results of the other teams follow: Fourth District of Columbia, 21st Regiment, 533; 12th New York, 530; 1st Massachusetts, 529; 2d Massachusetts, 528; 1st Regiment, District of Columbia, 525; 13th New York, 522; 1st Regiment Marine Corps, 517; 6th New Jersey, 517; 69th New York, 517; 2d Regiment Marine Corps, 507; 5th Maryland, first team, 501; 2d New Jersey, 492; 5th Maryland, second team, 494; 3d Pennsylvania, 493; 23d Infantry, 487; 8th Army, 455, and Troop A, Maryland, 417.

The scores of the individuals in the company team match of 500 yards were as follows:
